Brand New Book ***** Print on Demand *****.Une Journee Avec la Ballon Bleu is an illustrated early readers Sight Word book. It is intended for children between the ages of 4 and 6 and derived only of sight words from a list provided to children in Kindergarten to recognize and memorize throughout the school year. Originally, this short story was written for my 6 year old step-daughter to practice during the summer between Kindergarten and grade one. It helped her immensely with pronunciation and recognition of sight words, which assisted in preparing her for grade one. Advance your child s education with this encouraging story. The repetitive yet delightful style of this book is essential to building strong memorization abilities. Kids will love this illustrated story they can read all by themselves. You ll love the fact that this book builds reading skills and confidence.
