This now classic text has been updated with inspirational new material from John C. Parkin. In this inspiring and humorous book, John suggests that saying F**k It is the perfect Western expression of the Eastern spiritual ideas of letting go, giving up and finding real freedom by realising that things don't matter so much (if at all). It's a spiritual way that doesn't require chanting, meditating, wearing sandals or eating pulses. And it's the very power of this modern-day profanity that makes it perfect for shaking us Westerners out of the stress and anxiety that dominate our meaning-full lives. So, find out how to say F**k It to all your problems and concerns. Say F**k It to all the 'shoulds' in your life and finally do what you want to do, no matter what other people think.
