## MUSHROOM CULTIVATION IN INDIA

Daya Publishing House, 2007. Hardcover. Book Condition: New. It is generally realized that there is an acute shortage of literature on mushroom cultivation based on the requirements of the growers in our country. Therefore the present book has been written keeping those factors in view and the book shows a great variety of cheap and useless materials, eg agricultural, industrial and forest waste, that can be successfully used as media for growing the various edible mushrooms. The book emphasizes mainly...
