This item is printed on demand - Print on Demand Neuware - Scholarly Research paper from the year 2006 in the subject Politics - Political Systems - General and Comparisons, grade: 1,2, The University of Sydney, 7 entries in the bibliography, language: English, abstract: The concept of the third way stands broadly for an alternative middle way between two extreme positions. Known as third way is a middle form of socialism and capitalism, e.g. competition socialism, or new concepts of politics and economics, e.g. the free economy or the ordoliberalism. This shows that the third way can focus on economic, political and also cultural aspects, basically a mixture of it all. There are many different definitions for the third way of social democracy. This is on one side because the discussion about that is already happening for a long time and on the other because it is not lead uniformly. The term already appeared in context with the Euro communism or the socialism of human countenance (Alexander Dubcek) of the Prague Spring. But in that case it was always meant to be a middle way between communism and...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
